**ALBANY COUNTY CONVENTION & VISITORS BUREAU FOUNDATION  
ANNOUNCES GRANT RECIPIENTS**

*As tourism industry grows, grants will further develop hospitality culture*

ALBANY, N.Y. – The Albany County Convention & Visitors Bureau (ACCVB) Foundation announced today the recipients of the Hospitality Grants, designed to support not-for-profit organizations located in Albany County. Awards will be presented at a press event on December 1 (advisory to follow).

The fund, which is managed by the Community Foundation for the Greater Capital Region (CFGCR), supports programs that aid in building and sustaining Albany County tourism destinations, attractions, events, and other tourism-related activities. The grants encourage collaboration between nonprofit organizations, community groups, and hospitality businesses to further extend the economic impact of tourism and business.

“Tourism to our region ensures economic success, and these organizations understand what it takes to keep people coming back.” said Michele Vennard, President/CEO of the ACCVB, “It’s important to recognize these recipients who have all shown dedication to improving our hospitality culture and community.”

The grants, ranging from \$1,000 - \$5,000, were approved by the ACCVB's Board of Directors and were funded through the earned income of the Bureau. This is the third time in two years that non-profit organizations within Albany County have been awarded grants from the Foundation.
